- Note 4:** PST members who have completed days 1 and 2 of their PST training but have yet to conclude days 3 and 4 may sign the Form D. All queries relating to PST training should be directed to the NIPT at [droicheadinterimmeasures@teacherinduction.ie](mailto:droicheadinterimmeasures@teacherinduction.ie).

- c) Once employment is secured in the next academic year the teacher may re-apply through "Login / My Registration" login on the Teaching Council website [www.teachingcouncil.ie](http://www.teachingcouncil.ie).
- d) If a teacher has previously completed the Cluster Meetings, Professional Learning Activities and Observations as part of the *Droichead* process in 2019/2020 or 2020/2021 they are not required to complete any of these elements again.
- e) Teachers may complete outstanding elements including periods of practice in a different setting/school from where they originally started the *Droichead* process. The completion of the process should occur once the teacher has gained a single contract/ offer of employment in an eligible setting to allow for the outstanding elements to be carried out.
- f) The time gap between the end of the contract/academic year and the date a teacher starts in an eligible position will not be considered as a break in service.

**Note 8: Form D Clarifications**

- a) The expectation is that all teachers engaging in *Droichead* will continue to address the outstanding elements of the process for the duration of their contract/the academic year.
- b) The specific elements of Strand A completed by an NQT may be outlined on the Form D. This should be done in advance of the PST signing the form.
- c) The completed Form D 2021/2022, signed by all members of the PST, must be submitted to the Council who will bank the hours and elements of Strand A and Strand B engaged in up to the end of the academic year/contract. This will also allow the NQT to re-apply for *Droichead* in the future where they may then complete the balance of time and/or outstanding elements of Strand A and/or Strand B.
- d) The 2021/2022 Form D must be submitted prior to **29 July 2022** and before the teacher re-applies for *Droichead* in the next academic year.
- e) When a teacher completes the balance of time and/or missing elements of Strand A he/she should submit a new Form D detailing the completion of the outstanding elements. The Council will combine both Form D's and update the teachers' registration.
- f) The two Form D's may be signed by different PST members in the same or different schools. Where a school does not have a PST please. (See Notes 3 and 4).

## 4 Induction Workshop Programme (Primary & Post-primary)

### 4.1. *Droichead* Pilot or Probation/PQE completed but Induction Workshops Programme outstanding

Any teacher who completed the *Droichead* process prior to 01 September 2016 (that is, during the *Droichead* pilot process), or the traditional processes of Probation/PQE but has the Induction Workshop Programme condition outstanding, must complete the Induction Workshop Programme requirement. This section does not apply to teachers who do not have the condition of Induction Workshop Programme.

Teachers may choose from two options. Option A – they may select from a suite of workshops delivered via the Education Centre network (the majority of workshops are available online). Alternatively with the agreement of the school, they may choose Option B and complete 14 hours of workshops combined with 6 hours of school-based learning which is supported by a trained NIPT mentor / PST member.

	OPTION A	OPTION B
	No School-Based Mentoring from an NIPT Trained Mentor	Availing of School-Based Mentoring with an NIPT Trained Mentor
Workshops*	Minimum 20 hours	Minimum of 14 hours
Reckonable School Based Learning*	N/A	Maximum 6 hours

\* Workshops are facilitated by the NIPT through local Education Centres

\* School must have a trained NIPT mentor/PST member.

For further information on completing the Induction Workshop Programme, please see the NIPT website at <http://teacherinduction.ie/en/supports/induction-programme>

### 4.2. Induction Workshops Programme completed and intending to complete *Droichead*

From September 2018, teachers who previously completed the Induction Workshop Programme (20 hours) requirement may take this into account if participating in the *Droichead* process. The teacher will now be required to attend Cluster Meeting 1 only to meet the Strand B requirements of *Droichead*.

*Please note the following:*

**Note 1:** Substitution of other Cluster Meetings will not be accepted. Cluster Meeting 1 is essential to the completion of *Droichead* as it clarifies the process, requirements and expectations.

**Note 2:** Attendance at other Cluster Meetings and Additional Professional Learning Activities is optional and a matter for the teacher and the Professional Support Team (PST).

## 5 General Points in relation to *Droichead*

---

- 5.1.** Teachers engaging in *Droichead* must apply for the *Droichead* process via Login My Registration on the Council's website [www.teachingcouncil.ie](http://www.teachingcouncil.ie). The *Droichead* process including the eligible service is deemed to have commenced on the date of application. In exceptional circumstances where there is a delay in submitting an application, the process may be deemed to have commenced at a maximum of five working days prior to the application date. Any service completed in advance of that date will not be counted towards the eligible service requirement.
- 5.2.** Teachers should always seek the approval of the school/PST before applying for *Droichead*.
- 5.3.** In exceptional circumstances a teacher may apply for the *Droichead* process where a Professional Support Team (PST) has completed the first two days of the PST professional development (PST training). It should be noted, however, that concluding the process requires the PST to have completed all the required PST training (must be fully trained). In such circumstances, the teacher's eligible service may be deemed to have commenced on, or subsequent to, the day after the PST has completed the first two days of PST training, or the date of application for the *Droichead* process as outlined in point 5.1 above, whichever is the later (See also Section 3.2 and Section 5.8 for additional flexibility due to Covid 19 pandemic).
- 5.4.** Cluster meetings must be attended within the timeframe indicated on the application. Attendance at cluster meetings in advance of receipt of email confirming acceptance onto the *Droichead* process will not be considered (See also Section 3.5.2 for additional flexibility due to Covid 19 pandemic).
- 5.5.** Only fully trained members of the PST are eligible to sign a Form D. Please note, a minimum of two fully trained PST members must sign the form confirming completion of all strands of the process (See also Section 3.1 and 3.2 and 3.5 for additional flexibility due to Covid 19 pandemic).
- 5.6.** Form D is the form that should be used for completing the *Droichead* process. Form A should only be submitted if the *Droichead* pilot process was completed prior to 31 August 2016.
- 5.7.** Due to the unprecedented situation of school closures due to Covid-19, additional flexibility was introduced to support teachers in completing the *Droichead* process. These are detailed in Section 1.5 (Primary), Section 2.5 (Post-primary) and Section 3 (Primary and Post-primary).
- 5.8.** Due to the uncertainty surrounding the impact of Covid-19 and on an exceptionally basis, additional flexibility is available to support the process for teachers and the schools/PST involved. Details relating to PST training and eligibility to facilitate *Droichead* are outlined in Section 3.3.
- 5.9.** Where schools wish to offer *Droichead*, they should contact the NIPT regarding PST training and the options available. More information can be found at [www.teacherinduction.ie](http://www.teacherinduction.ie)
